Retirement Operations

Please be advised,

It just occurred to me. Although I received OPM Disability Retirement approval notice. I would rather have regular retirement.

I'm a victim of Retaliation and Reprisal. I do not want to deal with Social Security Administration with disability retirement. If it's possible. I'd like my regular retirement.

If this is the cause of the delay. Please accept my offer. It's my hope to be free from stress.

The issue's I'm faced with. My ex-husband, Bobby L Burnett is provided everything for me from Social Security Administration. I'm not certain why? If it's something I need to know. How will I know if it's in his possession harboring and telling everyone except me.

Please send me the information. My husband surgery is the 16th. Will we be able to move prior to? Which house did we get? I don't know anything!!

Thank you in advance, Mellody Estella Maria Huntley. DOB: 2/12/1968. SSN: 342-64-5661.

Sent from my Verizon, Samsung Galaxy smartphone (815) 641-2069. I do not consent to duplication; wiretapping; or surveillance (all inclusive). Mellody Estella Maria Huntley.

**General Information:** The law requires that a retiring, married employee must elect to provide a survivor annuity for a current spouse, *unless* the current spouse consents to an election not to provide the maximum survivor benefit.

A court order which requires a retiring employee to provide a survivor annuity for a former spouse is not an election and spousal consent is not required. In other words, such a court order does not require a current spouse to waive the right to a survivor annuity for the current spouse even though the Office of Personnel Management (OPM) must honor the terms of the court order before it can honor the election for the current spouse.

The current spouse may, therefore, receive a smaller annuity than elected, or none at all, unless the former spouse loses eligibility for the court-ordered survivor annuity (through remarriage before age 55 or death).

**Important:** If the current spouse consents to an election to provide no survivor annuity or a partial survivor annuity and is later divorced from the retired employee, the retired employee may not then elect (nor can OPM honor a court order) to provide a former spouse annuity which exceeds the amount elected at retirement for that spouse. This also applies if the parties remarry.

**Privacy Act Statement**

Solicitation of this information is authorized by the Federal Employees Retirement law, (Chapter 84, title 5, U.S. Code), the Federal Employees Group Life Insurance law (Chapter 87, title 5, U.S. Code) and the Federal Employees Health Benefits law (Chapter 89, title 5, U.S. Code). The information you furnish will be used to identify records properly associated with your application for Federal benefits, to obtain additional information if necessary, to determine and allow present or future benefits, and to maintain a unique identifiable claim file. The information may be shared and is subject to verification via paper, electronic media, or through the use of computer matching programs with national, state, local or other charitable or social security administrative agencies in order to determine benefits under their programs, to obtain information necessary for determination or continuation of benefits under this program, or to report income for tax purposes. It may also be shared and verified, as noted above, with law enforcement agencies when they are investigating a violation or potential violation of civil or criminal law. Executive Order 9397 (November 22, 1943) authorizes use of the Social Security Number. The Government may use your number in collecting and reporting amounts that you owe the Government. Furnishing the Social Security Number, as well as other data, is voluntary, but failure to do so may delay or prevent action on the retirement application.

Dear Mrs. Huntley,

The Office of Personnel Management, Retirement Inspection (RI) Fraud Unit has completed its investigation about the complaint of Identity Theft by your former employer the Social Security Administration.

RI has completed its investigation and our findings are as follows:

- OPM did not find any violations or changes pertaining to your PII on your retirement record.
- We have placed a block on your retirement record so that no changes can be made to your retirement record without your consent. Please view the attached sheet for block information.
- Since there is no fraud pertaining to your OPM monthly annuity you would need to take this complaint up with your former employing agency, Social Security Administration, Office of General Counsel (OGC) and Equal Employment Opportunity Commission (EEOC).

RI has completed its investigation and considers this case satisfied and closed.

If you have any further questions, please feel free to contact our office at (202) 606-0933.

Dear Applicant,

After review of your application for disability retirement, you have been found to be eligible for the position as a Legal Assistant.

This letter is to inform you that your application for disability retirement under the Retirement System (FERS) has been approved and to provide information that will assist you in the transition from employment to retirement. Please note the following steps that must be completed before annuity payments can begin.

### **Social Security Administration Awards**

An application for Social Security Disability benefits must be submitted and completed, and provided to the Office of Personnel Management (OPM) before annuity payments can begin. Individuals who have not already done so should apply as soon as possible. Individuals who have submitted an application and received a copy of the receipt do not need to take further action.

If an individual is awarded a monthly benefit from Social Security Administration, they are required to notify the Office of Personnel Management immediately regarding the effective date of the benefit. This can be done by sending a photocopy of the award letter showing the monthly benefit amount with the effective date eligibility began. Personnel records will be conducted to determine unreported benefits. The receipt and notification of the award must be submitted to the Office of Personnel Management.
